Report

Promotional material

Video messages from:
- ILO Director General
- SafeWork’s Director

Power point presentations
Is part of the 2003 Global Strategy on OSH
Celebrated all over the world on 28 April

Involves tripartite constituents at national level (high level speeches, radio and TV programs, seminars and promotional campaigns)
Events organized by governments, employers’ organizations and trade unions

To place OSH high in national agendas
To raise awareness about trends on OSH

In 2011, 1021 more visitors than in 2010!
From 148 countries

In 2012, we will continue increasing awareness
